The interest charge shall be reflected on the invoice and shall be paid by Customer. Customer is liable for the purchase of any Cold Front products to its place of business, whether ordered by Customer or any person on behalf of Customer. In the event of any payment default, in addition to the principal amount due, Customer agrees that interest, at the rate 18% per annum (1.5% per month, compounding monthly), shall be due and payable on any and all past due balances. In addition, Customer agrees that it shall also be responsible for Cold Front's reasonable attorneys' fees and court costs. All payment obligations (principal amount due, interest, attorneys' fees and court costs) contained herein are the joint and several obligation of the Customer and all individuals identified within this application. This notice must properly identify the customer, an account number and indicate the contemplated change. Upon receipt of this information, Cold Front reserves the right to terminate all credit, and demand full payment of any and all outstanding balances due, without waiver of any other right.

Authority to Charge Credit Card: Because credit is being requested, the Parties acknowledge and agree that Cold Front shall be entitled to charge any credit card associated with this account in the event that Customer fails to remit payment within the number of days specified herein. Customer hereby enters into that certain Credit Card Authorization Agreement, which is attached hereto as Exhibit A and incorporated by this reference.
